

SPRING: Class Conflicts 2017

CYTKC Dance Studio

Student Name: _____

Class(es): _____

If your student will be missing more than 2 class periods, please contact the Dance Director. Progress as a dancer is dependent upon attending classes consistently. If you know in advance that you are going to miss a class, please inform your instructor as soon as possible to schedule a makeup class. If you are ill, please call the studio directly prior to the start of your class. Fees are not prorated or refunded. Making up a class is encouraged and is an indication of a conscientious student. Please work with the instructor to arrange for a makeup class that is similar to the class your student has missed.

Please remember that frequent/unexcused absences can result in possible removal from classes/shows.
